About Us

## We Are Expert For Logistics Solutions.

Nippon Logistics is the export and logistics division of Japan Auto Venture Co., Ltd., based in Aichi, Japan. For over a decade, we've helped individuals and businesses safely import cars and SUVs from Japan's leading vehicle auctions.

We operate with teams in Japan, Sri Lanka, and the Philippines, ensuring our clients get localized support and seamless service. Whether you're importing one car or a full container, we handle the process from start to finish — honestly and professionally.
